HORDES OF WOMEN CHARGE BAREBACK INTO BATTLE

Imagine it! Hundreds of women, as the Amazons of old, riding barebacked into battle against the horde of mighty men! They lock in combat; sword clashes on sword; shield on shield; and in the dust of flying hoofs you'll see them struggling still-fighting the first fight for the freedom of women. You'll see something you've never seen before in the great Amazonian battle from "Man-Woman-Marriage," the drama-eternal, the supreme achievement of Allen Holubar. Nine Amazing Reels
